Explanation - This amendment adds \$200,000 general fund in the 2009 biennium to the Department of Commerce to continue the OTO appropriation for the Made in Montana program approved by the 2005 Legislature. This funding would be used in to support the development of aerospace and bioscience clusters in Montana and leveraged with external dollars to develop and deliver a pilot program of workshops and individual assistance to help Montana companies that sell the majority of their product outside the state of Montana with industrial marketing assistance.
